Forms & Panels

Tips for a Great Job

JANELL, Inc., the Supermarket for Concrete Accessories & Masonry Equipment, proudly share our tips when working with panels and forms.

- 1. Do Start Early** – Call **JANELL** at the beginning of the process. Tell us about your job, we can help.
- 2. Do Prepare Properly** – **JANELL** provides complimentary takeoffs and layouts. You will receive a draft sketch, a product list, and a bill of lading.
- 3. Do Select Ready-to-Use Panels** – Make sure they are prepped, cleaned, and oiled.
- 4. Do Use the Workhorse** – **JANELL** panels and forms can be repetitively used. Think foundations, walls, tanks, bridges, roads, and so much more.
- 5. Do Work with JANELL's Extensive Selection** – Components, hardware, and a variety panel, forms, filler sizes are interchangeable to fit a variety of job site needs. We offer modular systems like Surebuilt, OCM, Symons, and Dee to name a few.
- 6. Do Use One-Stop-Shopping at JANELL** – Get your panels, forms, fillers, ties, hardware, form oil, and more. Pick up and delivery available.
